BOOK SYNOPSIS

Learn. Practice. Prepare. Survive. Survival situations can happen when least expected. The best defense is knowledge and confidence in the skills that will keep you alive--whether its for a few hours, days or long term. 365 Essential Survival Skills comprises the best knowledge, tips and tricks available in the world today, and each skill is explained in fun, easy-to-learn ways that any student--greenhorn or seasoned--will pick up with a little practice. With 365 skills inside this book, theres plenty of practice to keep you busy year-round. The difference between life and death in a survival setting is a very slim margin. Dont take any chances--learn how to keep yourself and your family alive. FEATURING: Skills relevant to all four seasons of the year and desert, woodland, prairie, mountain and urban environments Vital insights on the four core survival needs--shelter, fire, water and food Other topics such as navigation, first aid, tools, signaling, self-defense and more Practical applications for campers, hunters, anglers, hikers, climbers, skiers and all who venture outdoors Links to thorough, in-depth video demonstrations
