## BOOK SYNOPSIS

Created in 2005, The World Chocolate Masters competition was initiated to celebrate the skill of chocolatiers and has featured many talented individuals who have been selected as the finest chocolate craftspeople in the country. Producing a selection of mouthwatering chocolate creations including pralines, chocolate cakes, showpieces made entirely of chocolate and a mystery item, these chocolatiers are the ultimate chocolate masters. The cookbook follows the 2011 competition across each country and through all the stages, photographing the stunning creations along the way and including all the winning recipes. Together with chef profiles and all you need to know about chocolate this is the definitive guide to the world's most well-loved ingredient.
