BOOK SYNOPSIS

Betrayed by her first husband, Samantha packed up her life and drove out west. Never intending to stop in Montana, she felt called to the DeBron ranch. Landing a job as the cook was a life saver and, with the warm sunshine and fresh air, she learned how to live again. Not to trust though! Charlie spotted the beautiful woman by the creek and couldn't get her out of his mind. He had things to do. He didn't have time to flirt. So why was he riding by the creek - again? Because something about the beautiful woman called to him. Unfortunately, his strict moral code wouldn't allow him to have an affair with an employee. So when he discovered that Samantha was none other than the new ranch cook "Sam", he couldn't allow himself to see her. But he couldn't stay away. Marriage was the only answer. Being with Samantha wouldn't violate his moral code if they were married. Now to convince the little lady to take a chance on him. She didn't trust men. Not after what her first husband put her through. But failure was not an option!
