BOOK SYNOPSIS

This revised fifth edition of Doing Business with China has been updated to take into account key changes in the legal and fiscal environment. It remains the most comprehensive guide available to all aspects of commercial engagement in China. It focuses on developments in China as business and regulatory environment over the past four years since WTO entry and on the key industry sectors where China is already a global player or which offer good opportunities for foreign investment and trade. In addition, the guide provides authoritative insight into accounting, auditing and taxation practices; banking, foreign exchange and corporate finance; and marketing issues which are unique to the Chinese markets. Revisions include updates to chapters on economic performance and outlook, Chinas Securities Market and sector reports on Chinas automotive industry, banking, oil and gas and steel production and core minerals."
