BOOK SYNOPSIS

Fierce and sexy, former Marine Travis Sanchez has always held himself back from the rest of the world, using his tattoos and piercings as armor. But when the woman he's wanted for months is threatened, he knows its time to strip away the bad boy image and show her just how much he wants to be with her. As one of Red Stone Security's best contractors, Travis is trained for almost any situation. But nothing prepares him for the most dangerous threat of all: the one to his heart. Kind-hearted Noel Baskov's only wish for the holidays is that her Miami coffee shop has a successful Christmas season. But her focus on work is interrupted when the family of the young girl she mentors is threatened, and the man she's been lusting after for months steps in to handle it. Unfortunately the danger is far from over. Can this sexy and mysterious warrior protect Noel, or will he be the one to shatter her heart?
