BOOK SYNOPSIS

Designed to help students and beginning nurses develop the knowledge and skills needed to lead and manage nursing care delivery, *NURSING LEADERSHIP & MANAGEMENT*, 3rd Edition, prepares future nurse leaders to function successfully in the modern health care system. In this newly revised edition, students are provided with the most current information on relevant topics such as quality improvement, patient safety, legal aspects of nursing, delegation, and licensure that are important for preparing for a career in nursing. Through coverage of key topics such as teamwork, population-based health care, evidence-based practice, informatics, ethics, culture, and organizational change, students are given a framework for understanding how they can become leaders and make a difference within the vast healthcare system. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
