BOOK SYNOPSIS

AVAILABLE FOR THE FIRST TIME IN eBook! In 1955, Garcia Marquez was working for El Espectador, a newspaper in Bogota, when in February of that year eight crew members of the Caldas, a Colombian destroyer, were washed overboard and disappeared. Ten days later one of them turned up, barely alive, on a deserted beach in northern Colombia. This book, which originally appeared as a series of newspaper articles, is Garcia Marquezs account of that sailors ordeal. Translated by Randolf Hogan.
