BOOK SYNOPSIS

Born from a hobby of sewing clothes for her daughters, Brandi Temple's Lolly Wolly Doodle has grown into one of the largest online retailers of children's and family clothing. Brandi's transition from a full-time mom to selling in flea markets to establishing a wildly successful e-Bay store and Facebook presence to becoming founder and CEO of a successful company was by no means easy, but each hardship only strengthened her resolve. Along the way, Brandi has kept both her faith and family at the forefront, while maintaining the positive attitude she is best known for. A business story layered onto a winning personal narrative, Scrappy is packed with her homespun (and seriously killer smart) philosophy: - Use all the scraps - Press the reset button as many times as you want - Know your customer by meeting her - Always act on an "ah ha" moment
