BOOK SYNOPSIS

Women in the Security Profession: A Practical Guide for Career Development is a resource for women considering a career in security, or for those seeking to advance to its highest levels of management. It provides a historical perspective on how women have evolved in the industry, as well as providing real-world tips and insights on how they can help shape its future. The comprehensive text helps women navigate their security careers, providing information on the educational requirements necessary to secure the wide-ranging positions in today's security field. Women in the Security Profession describes available development opportunities, offering guidance from experienced women professionals who have risen through the ranks of different security sectors. Features career profiles and case studies, including interviews with women in the industry, providing a deeper dive inside some exciting and rewarding careers in security Provides a history of women in security, and an exploration of both current and expected trends Offers experienced advice on how to resolve specific biases and issues relating to gender
