## BOOK SYNOPSIS

Websters edition of this classic is organized to expose the reader to a maximum number of difficult and potentially ambiguous English words. Rare or idiosyncratic words and expressions are given lower priority compared to "difficult, yet commonly used" words. Rather than supply a single translation, many words are translated for a variety of meanings in Chinese Traditional, allowing readers to better grasp the ambiguity of English, and avoid using the notes as a pure translation crutch. Having the reader decipher a words meaning within context serves to improve vocabulary retention and understanding. Each page covers words not already highlighted on previous pages. If a difficult word is not translated on a page, chances are that it has been translated on a previous page.

**TOM SAWYER DOVER CHILDRENS THRIFT CLASSICS** - Are you looking for Ebook Tom Sawyer Dover Childrens Thrift Classics ?
