BOOK SYNOPSIS

The only man she wants is the one who'll never forgive her. Falling in love with her boss handsome, millionaire neighbour was easy for young Kate Martin. Despite the vast differences between them, and a past that's left Garrett Carlton reclusive and wary, Kate gambles her heart on a desire that rocks them both. But there's something Garrett doesn't know: Kate is responsible for an accident that changed his life forever. Garrett lives by rules intended to protect both him and his vast wealth. Kate's innocence is the only thing that's ever broken through his cold reserve, but now his trust is shattered. By the time he realises how much he stands to lose, it might take a miracle to win her back. But it's a challenge he'll gladly face for the woman and the family he needs more than his next breath...
